ROCHDALE BOROUGH

Pain Do you get it?®

It's time to FLIP the way we think about, talk about, and treat persistent pain.

'Pain: Do You Get It?' is a FREE and easy to understand public seminar brought to you by public health campaign Flippin' Pain and NHS Heywood, Middleton and Rochdale. It will introduce some of the latest, often surprising scientific understanding of pain.

Do you live with chronic pain? Changing how we think about pain can change how we manage it, and even how it feels
